

Figure 1 illustrates the mobile APP interface and the configuration panel. The mobile app screen (left) displays a 'Sales Analysis' (销售分析) header and a table with columns for 'Period' (时期) and 'Indicator Value' (指标值). The configuration panel (right) shows various settings for the table, including 'Basic' (基本) and 'Advanced' (高级) tabs. The 'Basic' tab is selected, showing settings like 'Name' (名称), 'Table' (表格), 'Background' (背景), 'Color' (颜色), 'Gradient' (渐变色), 'Image' (图片), 'Shadow' (阴影), 'Float' (浮动), 'Width' (宽度), 'Horizontal Offset' (水平偏移), 'Vertical Offset' (垂直偏移), 'Corner' (圆角), 'Inner Border' (内边框), and 'Outer Border' (外边框).
